

## 1998 Mid-Atlantic Collegiate Crew Championships

May 3, 1998; Sandy Run Regional Park, Occoquan, VA

*Thanks to Walter Mehra for the results.*

The M.A.C.C.C was hosted by the George Mason University Crew Club. Over 25 schools competed in several events. The regatta ran smoothly with little or no delays at all. The condition of the race was fairly calm and somewhat warm on the race course, the only conflict with the weather was the approaching thunder storms during the last few races. The races were all able to finish before the weather became severe. If you would like to attend or would like more information on the M.A.C.C.C. next year please contact varsity men's head coach Bob Spousta at George Mason University.
